CLASSIFICATION

TO Chief of Mission, Frankfurt
FROM Attention: Chief, MCB
Chief, RS

DATE
INFO: Bonn

SUBJECT GENERAL Operational/CART
SPECIFIC Jusuf NADIR

REFERENCE: HQ-3149, HQ-10506 (not to Bonn)

1. In answer to your request of 7 May 1953 for a name check on Subject, we indicated in references that we had no identifiable traces on him. Since that time, however, the following information has reached us regarding NADIR.

2. For your information only: Subject is undoubtedly identical with one Yusuf NADIR, described by a reliable CIA source as an agent in Germany, of certain reliability, who--while presumed to be a sympathizer of Nazism--is actually pro-democratic.

3. This headquarters has been furnished with copies of correspondence between Harold Keith THOMPSON, well-known neo-Nazi (see HQ-1344), and NADIR. This correspondence (December 1952 - May 1953) was initiated by NADIR in an effort to penetrate and gather derogatory information on neo-Nazi circles in Germany. It reflects the following names of contacts which NADIR was given to help him "get to the core of Nationalism in Germany."
